SCOUTING
CHANGES LIVES

Summer of 2011 Lodge Service Project

This is going to be one of the biggest service projects that our Lodge has ever done. The service project will be located in the Mt. Hood National Forest with specific location TBD, and is being conducted in partnership with the US Forest Service. This project is a way to learn new skills (build retaining wall or trail turnpike), providing much needed wilderness service, sharing fellowship with your OA brothers, and having an awesome outdoor adventure. The type of work we'll be doing ranges from maintenance to repair damaged trails.

ArrowCorps 2011 means great food, fun and fellowship while providing highly visible and meaningful service in the outdoors.

There will be an age limit requirement of 14 & older, and we are looking to have both youth and adult volunteers. The Philmont health requirements will apply. You need to be an OA member in order to take part in this great experience.

Tentative Dates and Location:

July 8-15, 2011 — Mt. Hood National Forest

Cost: \$150 per person (covers food, crew equipment and entertainment for this week-long experience)

If you have any questions please contact Angela Rogers at oamom@saw.net or Chris Derbyshire at derbyshirechris@gmail.com

Look for more information at cpcbsa.org/oa and Voice of Brotherhood. Registration will open September 1, 2010.

Making a Difference
